RE: Form 637 registration -- registration number **2006-002214 M,S,UV**

We have approved your Form 637, Application for Registration (For Certain Excise Tax Activities), "M" as a blender of gasoline, diesel fuel, and /or kerosene outside the bulk transfer/terminal system.

Included in the registration number is the "S" suffix you applied for in February 1994 and the "UV" suffix you applied for in April 1994.

Due to the reorganization of the database we have changed our procedures for assignment of registration numbers. Effective as of the date of this letter, your revised registration number is **2006-002214 M,S,UV**.

If you have any questions please call James Snyder, badge number 93-10388, at (503) 326-5807.

Sincerely yours,

Peggy Rupp
Excise Manager
